That's good news. We will be able to reconcile funds that are not spent and fund additional disposal.

I'm confused about who came to visit you yesterday. Isn't your Regional Administrator Ron Curry? In your email to Jason you mention a "her". How did the visit go?

Terry

Terry

I will be sending you information soon about Veolia costs for the boxes sent to them. I am not sure what CBI charges you for their work but it appears the cost are way under the estimate.

Thanks

Gary
